

**REMARKS**

Claim 38, line 4 was objected to as being non-compliant due to three added words "in an individual" inadvertently not being underlined in the Amendment and Response to the non-final Office Action filed on March 21, 2005. In response, Applicants are resubmitting hereto all amended claims with the appropriate underlining, including the three added words in Claim 38. Therefore, this Amendment is now in compliance and Applicants respectfully request that the claim amendments herein and in the response filed March 21, 2005, be entered and that the Examiner consider the remarks submitted in the response filed March 21, 2005.

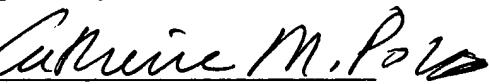

**CONCLUSION**

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to accept the substitute Claim 38 as being in compliance and to pass this application to issue. If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.
